This e-mail officially acknowledges receipt of a Notice of Intent to operate a home school, as required by Article 39, Chapter 115C of the North Carolina General Statutes. It is now properly registered with the North Carolina Division of Non-Public Education (DNPE) and may now legally begin operation on the date shown on the attached registration record.

We recommend that you PRINT a copy of this email AND the Registration Record attached and place it in your home school file.

- Enroll students from no more than two different households who are not more than 18 years old.
- Administer (or have administered) a nationally normed and standardized achievement test measuring spelling, grammar, reading and mathematics each year for EACH student enrolled in the home school (G.S.115C-564).
